

BE ADVISED

Any and all illegal activity can/will be prosecuted criminally by the Virginia Beach Sheriff's Office (VBSO). To date, there have been **905** criminal convictions of inmates in the Virginia Beach Correctional Center (VBCC) by the Virginia Beach Sheriff's Office (VBSO) including: Assault, Fraud, Indecent Exposure, Possession of a Weapon, Escape, Destruction of Property, and Obstruction of Justice.

In addition, VBSO staff members will testify at sentencing and violation hearings, which could result in the revocation of suspended sentences.

If you have been sentenced to probation, dependent on good behavior while incarcerated, any inmate violations you receive can/will be used to violate that probation status.

Bottom line: Your behavior while an inmate in this facility can have criminal, as well as administrative consequences.

FOREWORD

The Virginia Beach Correctional Center (VBCC) houses inmates awaiting trial, inmates serving local or state sentences, and inmates awaiting transfer to a state penitentiary.

This booklet is intended to inform you of the rules and regulations of the Virginia Beach Correctional Center and to clearly define restrictions, privileges, programs, and services, which will affect your stay here. It is your responsibility to read this rule book so that you may better understand how to conduct yourself during your incarceration. Failure to do so does not excuse you from facing administrative and/or criminal charges for violation of the rules and regulations.

It is necessary that you understand the basic principles which govern the management of this facility.

SECURITY IS THE HIGHEST PRIORITY

Any action on the part of one or more inmates that jeopardizes or appears to jeopardize security will **NOT** be tolerated and will be dealt with in a swift, decisive manner.

The safety of all persons in the VBCC, both inmates and staff, is equally important to security. All regulations of this facility are designed to promote efficiency and cooperation. Your demeanor will play an important role in determining the length of your stay, your housing and qualification for rehabilitation programs, as well as any amount of Earned Good Time (EGT) you may earn.

If transferred to the Department of Corrections (DOC), the VBCC staff comments and recommendations based on your behavior, and any institutional violations, will be forwarded to DOC for review and can ultimately affect your classification there.

RECEPTION & ORIENTATION

Upon admittance to this facility, inmates will be taken directly to Intake, where their entry will be recorded. All inmate records are considered confidential and any unauthorized or improper disclosure is prohibited. Inmates will be screened by Medical and Classification prior to being given a housing assignment. Inmates refusing to be screened by Medical or Classification will be segregated and be subject to disciplinary action.

Each inmate will be strip searched as appropriate for weapons and contraband, in private, by a staff member of the same sex. Body cavity searches may be conducted when there is reasonable suspicion that an inmate is secreting contraband in such body cavity. Cavity searches will only be performed by a physician or registered nurse in a private location.

After being searched, each inmate will change into a clean correctional center jumpsuit. If an inmate is admitted to the VBCC with authorized white clothing (e.g. t-shirt, underwear, thermals, etc.), they will only be allowed **ONE SET**. All other clothing must be purchased through Canteen. Authorized clothing is considered to be all white and 100% cotton. Any clothing with attachments, lace, underwire, padding, buttons, logos, thongs, and/ or metal clasps is deemed unauthorized. Property will have the final determination as to whether an item is authorized or not. If a clothing item is medically required, the Medical Department must authorize the item for use by the inmate.

All personal effects will be inventoried and maintained by the Property Division. Property boxes are sealed, and items will not be released unless special circumstances exist. Each inmate will be issued a copy of the Property Voucher itemizing their personal belongings.

You will be given one free set of tablet earbuds upon admittance. If you are placed on detox or suicide status, you must send an Inmate Request Form to Property in order to receive your tablet earbuds once you are cleared. Only initial tablet earbuds are free, all replacement earbuds must be purchased through Canteen. **PROPERTY DOES NOT ISSUE REPLACEMENT EARBUDS.**

Upon admittance, an identification card for identification purposes will be issued to you and must remain in your possession at all times. Failure to comply is a direct violation of VBCC rules and regulations. No privileges, including canteen, visitation, phone, etc., will be granted to any inmate unless they properly display their identification card. Inmates will be charged a replacement fee of **\$15.00** for an ID card that is altered, lost, and needs replacement.

In accordance with the Code of Virginia (53.1-131.3), all inmates will be charged a room and board fee of **\$3.00** per day for each day they are incarcerated. State Law allows for the collection of the **\$3.00** per day while you are still physically

located in this facility even after you become a Department of Corrections inmate. Inmates are charged **\$1.00** per day while at the VBCC and an additional **\$2.00** per day is added to each day upon release from the VBCC.

- Any inmate found *Not Guilty* or having an offense *Nolle Prossed* or *Dismissed*, is entitled to be refunded for the **\$3.00** per day of their room and board fees for every day served on the *Dismissed* or *Nolle Prossed* jailable offense.
- It is the sole responsibility of the inmate to contact the Accounting Division of the VBCC to make the necessary arrangements for reimbursement.

Virginia Code 53.1-228.1 allows for the administrative recovery of costs associated with replacing or repairing facility owned or issued property intentionally damaged or destroyed by inmates. It shall be the policy of the Virginia Beach Sheriff's Office, whenever possible, to recover said costs.

Classification

Those inmates that are unable to make bond will be interviewed by a Classification Deputy. The Classification Deputy will complete a screening interview during which the inmate will be informed how to see Medical if the need arises, as well as PREA (Prison Rape Elimination Act) training. The inmate will be classified by the level of custody required and a housing assignment will be generated.

After being classified, each inmate will be given soap, one toothbrush, toothpaste, bedding, one towel, one washcloth, and a rule book by a Property Deputy. The issuance of bedding, towels, wash clothes, and facility clothing will be recorded, and inmates are held accountable for items issued.

BONDING

When a person is arrested, he/she is entitled to a Bond Hearing. The individual is taken before a magistrate who has the authority to set a bond and will determine the type and amount of bond to be set.

If at such time the magistrate determines a Personal Recognizance (PR) bond is appropriate, he/she may set the bond amount and release the individual on their signature. If the magistrate requires surety, he/she will determine what amount is required and advise the inmate at that time. Once the magistrate sets the amount of bond, the individual may post cash or property.

If the individual cannot post a cash or property bond, he/she can still be bonded by a professional bonding agent. The telephone numbers for local bonding agencies are displayed on the monitors in Intake and on the televisions in the cell blocks. Correctional Center staff will not recommend any bonding agency or bondsman. Inmates may continue to attempt to post bond on a daily basis. Telephones are available in the holding cell areas of Intake. Inmates will have the opportunity to complete a free call with a **5** (five) minute limit, however, international calls are not allowed. Inmates can make as many calls as they like while in Intake unless they become problematic. The choice of the bonding agency rests solely with an inmate.

CELL INSPECTION & GENERAL GUIDELINES

Every day at 0800, all inmates will be required to get up from their bunks with a jumpsuit on, their beds made, and stand by their assigned bunks displaying their identification card to the deputies who are conducting the Cell Inspection/ID check. **This practice will happen 7 days a week including weekends and holidays.** Exceptions to this schedule can be made by each Watch Team respectfully.

Cleaning materials will be made available to each cell block after conclusion of the morning meal. Any block refusing to use the cleaning gear will be subject to loss of privileges.

All dayroom areas to include stairs, bars, and shower areas, are to be cleaned and neatly maintained. Trash and sweepings are to be emptied into trash receptacles.

Each day prior to 0800, all bunks are to be made up and must remain made up until your block passes cell inspection. **Bedding is to remain in cells throughout the day and evening.**

At cell inspection, inmates who are housed in a cell will stand outside the cell door. Inmates not housed in a cell will stand at the end of their assigned bunks. Inmates will have nothing in their hands (with the exception of their issued ID card) or on their heads, to include do-rags when deputies arrive at the block. After cell inspection and within assigned block, the jumpsuit may be pulled down to the waist, but a T-shirt must be worn. Any time an inmate is out of his/her bunk, they **MUST** wear a jumpsuit or canteen issued shorts/sweatpants to the waist with a T-shirt on. INMATE SERVICES

Inmates are permitted to voluntarily participate in religious services and/or counseling during scheduled hours.

Depending on specific requirements prohibiting inmate participation, inmates may take advantage of religious, educational, rehabilitative, community work force, or trustee programs established within the facility. Requirements for acceptance into these programs differ; therefore, inquiries should be made to the Inmate Program Coordinator for each program.

Certain program blocks do not allow inmates to keep their e-cigarettes and radios in their possession while in the program block. Those items will be held in the inmate's property box while the inmate is in the program.

When you enter into one of the program blocks that do not authorize these items, please ensure no canteen orders are placed for any e-cigarettes or

radios/earphones, as you run the chance of not receiving those items upon completion of program.

The Life Empowerment Program (LEP) offers inmates a three-phase, biblically based opportunity to improve their basic life skills. The three phases are progressive in nature and offer increasing levels of life skills and self-discipline. The program lessons are structured around Biblical life-skills. All new program participants will begin in Phase I. Satisfactory completion of one phase will qualify participants to progress to the next phase. Graduates receive certificates upon successful completion of each phase.

Veteran's Block

The Veteran's Block offers participants the opportunity to connect with those services offered by *Disabled American Veterans (DAV)*, *VA Medical Center*, *Virginia Employment Commission (VEC)*, and *Virginia Veteran and Family Support*, who come in to speak about services they can assist with. Typically, one representative visits each week at an average of four visitors per month.

- To apply, you will need to submit a request form to the Correctional Support Program (CSP) coordinator. CSP will verify your Veteran status.

Educational Programs

Inmates who have been classified to general population may request to attend educational classes through the Educational Program and potentially earn their GED. the right to terminate or suspend a student from the program based upon his/her performance and/or behavior in the program.

The Jail Education Program (JEP) offers an educational program for inmates under the age of twenty-two (**22**) who qualify for special education services and support under *The Individuals with Disabilities Education Act* (IDEA). Do not submit request forms for the Weekender Program to the Sheriff's Office. Requests must be made through your attorney to the courts. Only those candidates ordered by the court are eligible to participate in the Weekender Program.

If you are court appointed to ASP, you will report to the collections office to complete the appropriate application. For each ASP, **all** of your outstanding VBCC fees must be paid before you are eligible to participate. Each program offers different alternatives and pricing, see below for details on each one. To be approved for the Electronic Home Incarceration Program and Offender Support Unit you will need approval from your sentencing court and have a limited criminal history in general. You must also be within the Code of Virginia guidelines for alternative sentencing, and the Sheriff's Office policy and procedures. The screening for each program is lengthy and extensive.

Weekender

Weekenders report to the VBCC at 7 p.m. on Friday and are released on Sunday (two days), unless you have a specific court order which allows you to serve your sentence during the week, i.e. job or school. You spend the entire two days in VBCC. You will be charged a onetime **\$50.00** processing fee in addition to a daily participation fee, while you're in the program. Each participant must pass a drug screening before being admitted to the program. You will be charged a one-time **\$50.00** processing fee. You must be caught up with all outstanding incarceration fees prior to participation in the program. You must be within ninety days of your release date and have demonstrated a good work ethic as evidenced by your participation in the Trusty or Work Force programs.

You will be monitored through GPS tracking and required to have a cell phone. Each participant must submit to and pass a drug screening test prior to being admitted to the program. **You will be charged for the cost of the equipment, per day.** That amount is subject to change. If you are approved for EHIP, you will not earn any good time and will have to serve one hundred percent of your sentence.
