Appointees in these positions work in all areas of the Sheriff's Office and may be assigned to any unit with daily interaction with inmates. New appointees are initially assigned to our Corrections/Jail Facility. Deputies may rotate to other areas based on the needs of the Sheriff's Office. The majority of positions are assigned to the Corrections/Jail so the ability to transfer to other areas is minimal. Most appointees work 12-hour shifts (including days, nights, weekends and holidays) and 15 days per month. Deputies will earn full salary and benefits while training during Basic Academy and on the job training. The Virginia Beach Sheriff's Office is accredited by the Virginia Law Enforcement Professional Standards Commission (VLEPSC).

- Receiving and screening the public seeking admittance into the Correctional Facility; and processing inmates' personal property and money.

All assignments include writing reports and documenting incidents. The nature of the work necessitates an element of danger and requires physical exertion and the ability to make decisions under stress. Work is performed according to the Sheriff's Office policies and procedures and involves the potential for personal danger. The Deputy must be able to communicate effectively, solve problems, write concise reports, maintain good physical conditioning, and be able to act quickly and calmly as part of a team under potentially stressful conditions.

In-service training and firearms training qualifications are job requirements throughout employment.

All new uniformed (sworn) Sheriff's Office appointees may not have any tattoos, brands, or body art visible on head, face, neck, scalp or hands.
